Dear Sue,

On behalf of the School of Public Policy and Administration, please accept this letter of support for the Program Policy Statement for the establishment of a dual PhD in Engineering and Public Policy in the College of Engineering and the College of Arts and Science. The faculty voted to support this effort on October 19, 2018.

We look forward to establishing additional linkages between students and faculty with this new program.

Sincerely,

A handwritten signature in cursive script that reads 'Maria P. Aristigueta'.
